**Local Exchange Telephone Service****SECTION 4 - RATES FOR RESOLD SERVICES, CONT.****4.3 Rates for Company Employees**

Active employees of this Company who have not previously had service placed in collections status will be furnished local access lines and features at a discount of 16.79% off monthly recurring charges for residential service listed in this tariff. Service will be furnished only at one location and only when the telephone is located in the employees residence. Such employee's service will not be furnished at locations where the station is not restricted to the use of the employee and members of his immediate family or other employees of the Company residing in the same household. Employees who receive this discount will not be eligible for other residential telephone discounts or promotions offered by Network Telephone. Voice mail and inside wiring maintenance plans are not eligible for the discount.

Employees who separate from the company and are entitled to a severance or retirement package may have service continued at the employee rate for a specified length of time as part of the separations package. Employees who are no longer eligible for the employee discount will be provided written notice. If another provider is not selected, the employee's billing will convert to the appropriate retail rate listed in this tariff.

**4.3 Employee Facility-Based DSL and Voice Package Service**

Active employees who have completed 90 days of employment with Network Telephone and who have not previously had service placed in collections status are eligible for SDSL service which includes basic voice service at the employee-discount price indicated below:

<u>Zone</u>	<u>Monthly Recurring Charge</u>	<u>Installation Charge</u>
1 and 2	\$36.00 (I)	\$142.00

If an employee cancels the order during the ILEC cancellation period, a \$100 order cancellation charge will apply. If the employee cancels the order after the ILEC cancellation period, a \$199 order cancellation charge will be assessed. If the employee is terminated (voluntarily or involuntarily) or becomes ineligible for employee service, NTC will bill the employee the per line rate for voice service currently in effect in this tariff and the rate for unbundled DSL service in the company's current price list.

Employees must also choose Network telephone's long distance service at currently tariffed prices to be eligible for the discounted voice and DSL package. Features, including voice mail, are not eligible for a discount.
